<http://www.umdj.edu/globaltb/products/ltbicard.htm>
- Instructions for Families of Children with Positive TB Skin Tests
[http://www.nationaltbcenter.edu/pediatric_tb/docs/instructionsforfamilies\(ltbi\).doc](http://www.nationaltbcenter.edu/pediatric_tb/docs/instructionsforfamilies(ltbi).doc)
- General TB Information/Spanish Language – fotonovela
Aprender sobre la tuberculosis es Vivir – A Todo Pulmón
<https://sntc.medicine.ufl.edu/files/products/vivirfotonovela.pdf>
- BCG Vaccine
<http://www.cdc.gov/tb/pubs/tbfactsheets/bcg.htm>
- The Difference Between Latent TB Infection and Active TB Disease
<http://www.cdc.gov/tb/pubs/tbfactsheets/ltbiandactivetb.htm>

General Information

- TB Educational and Training Materials Order Form
ONLINE: http://www2.cdc.gov/nchstp_od/piweb/tborderform.asp
PDF: <http://www.cdc.gov/tb/pubs/tbfactsheets/orderform.pdf>
- Regional Training and Medical Consultation Centers (RTMCCs) – all products
<http://sntc.medicine.ufl.edu/rtmccproducts.aspx>
- Guidelines for Preventing the Transmission of *Mycobacterium Tuberculosis* in Health-care Settings, 2005.
MMWR, December 30, 2005 / 54(RR17) 1-141
http://www.cdc.gov/mmwr/preview/mmwrhtml/rr5417a1.htm?s_cid=rr5417a1_e
- Mantoux Tuberculin Skin Test (video)
<http://www.cdc.gov/tb/pubs/mantoux/guide.htm>

Regional Training and Medical Consultation Centers (RTMCCs)

The four RTMCCs are funded by the Centers for Disease Control and Prevention (CDC), Division of Tuberculosis Elimination (DTBE). Each RTMCC provides TB training and education, technical assistance and medical consultation services to a geographically defined region. The contact information for the RTMCCs, including the states within their region, is listed below.

New Jersey Medical School Global Tuberculosis Institute

225 Warren Street
PO Box 1709
Newark, New Jersey 07101-1709
(973) 972-3270
<http://www.umdnj.edu/globaltb>

The **Northeastern Regional Training and Medical Consultation Consortium** is a collaborative effort of the Global Tuberculosis Institute, the Charles P. Felton National Tuberculosis Center at Harlem Hospital and the Massachusetts Department of Public Health, Division of Tuberculosis Prevention and Control. The Northeastern region includes Connecticut, Delaware, District of Columbia, Indiana, Maine, Maryland, Massachusetts, Michigan, New Hampshire, New Jersey, New York, Ohio, Pennsylvania, Rhode Island, Vermont and West Virginia and the cities of Baltimore, Detroit, New York City and Philadelphia.

Heartland National TB Center

2303 SE Military Drive
San Antonio, Texas 78223
(800) Tex-Lung
<http://www.heartlandntbc.org/>

The **Heartland National TB Center** is affiliated with the University of Texas Health Science Center at Tyler and the Texas Department of State Health Services. Heartland's region includes Arizona, Illinois, Iowa, Kansas, Minnesota, Missouri, Nebraska, New Mexico, North Dakota, Oklahoma, South Dakota, Texas, and Wisconsin.

Curry National TB Center

3180 18th Street, Suite 101
San Francisco, California 94110-2028
(415) 502-4600
<http://www.nationaltbcenter.edu>

The **Francis J. Curry National Tuberculosis Center** is located at the University of California, San Francisco. The Curry Center's region includes Alaska, California (including Los Angeles, San Diego, and San Francisco), Colorado, Hawaii, Idaho, Montana, Nevada, Oregon, Utah, Washington, Wyoming, and the U.S. Pacific Island Territories.

Southeastern National TB Center

University of Florida
1329 SW 16th Street, Suite 5174
Gainesville, Florida 32608
(352) 265-7682
1-800-4TB-INFO – 24 hour medical consultation service
<http://sntc.medicine.ufl.edu>

The **Southeastern National TB Center** is located at the University of Florida and has a clinical training campus at the AG Holley (TB) State Hospital in Lantana, Florida. The SNTC's region includes Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee and Virginia. In addition, the SNTC serves Puerto Rico and the U.S. Virgin Islands.

Division of Tuberculosis Elimination Centers for Disease Control and Prevention

1600 Clifton Road, NE Mailstop E-10
Atlanta, Georgia 30333
CDC-INFO at (1-800) 232-4636
TTY: 1 (888) 232-6348
E-mail: cdcinfo@cdc.gov
<http://www.cdc.gov/tb/about.htm>
